

PRODUCTLINE

Productline is our popular entry-level email marketing service for new product launches. It also provides a cost-effective platform for you to drip-feed your product information to a huge audience. As you build your full campaign, use Productline as a targeted tool to back up your high-visibility activity.

A premium Featured Productline option appears in an expanded middle section of a Productline email and is further promoted at www.lasersystemseurope.com

- **Both options comprise: headline, image, product description and web link**
- **Both options sent to opt-in database of 10,000 industry professionals**
